

Summit Grand Opening

— Pictures and Recap —

The Dedication and Grand Opening for the New Summit Branch Library was held on Saturday, November 4th, 2006. This is SBCL's 4th joint-usage Library and the 3rd branch library in the growing city of Fontana!

The Library dedication event also included the dedication of the new Summit High School, which recently opened. County, city and school dignitaries offered remarks in honor of the occasion. A special thank you to the students from the high school Marching band who played the national anthem and members from the ASB and the key club who set up and decorated the multi-purpose room for the program.
